

ST-C

insulated

TECHNICAL DATA

Insulated solderless terminals

Temperature range -60°C to +125°C

■ **STRUCTURE**

- Sleeve: copper
- Surface: tinned

- Insulation: Polyamide (PA)
- partially insulated

■ **PROPERTIES**

- Insulated with high dielectric strength

■ **APPLICATION**

- Simple cable inlet through Easy-Entry (expanded sleeve)

Butt Connectors

Part no.	Type	Colour	Cross-sec. mm², approx.	Design	Packaging unit (in pc.)
91426	HAA 15	red	0.50 - 1.50	Butt Connectors	100
91427	HBB 25	blue	1.50 - 2.50	Butt Connectors	100
91429	HCC 6	yellow	2.50 - 6.00	Butt Connectors	100

Terminal connector

Part no.	Type	Colour	Cross-sec. mm², approx.	Design	Packaging unit (in pc.)
91398	HAJ	transparent	0.50 - 1.50	Terminal connector	100
91428	HBJ	transparent	1.50 - 2.50	Terminal connector	100
91430	HCI	transparent	2.50 - 6.00	Terminal connector	100
